## ICCT Snorri Grant

**Application Deadline: March 1**

The Snorri Program is offered to Canadians and Americans between the ages 18-28 with Icelandic heritage. Approximately 12 to 16 applicants are selected yearly for each of the Snorri programs by the Snorri Foundation. Applications for the Snorri Program are due in January of each year.

The Annual ICCT Snorri Grant is awarded to a applicant who has been accepted into the Snorri program in that year. Snorri West and Snorri Plus applicants are not eligible for this grant.

Applicants will be considered in the following order of preference: ICCT members in good standing, residents of Toronto, residents of Ontario, and others who do not have an INL member club in their area who can help.

Please send your completed application form to [scholarship@icct.info](mailto:scholarship@icct.info)

The grant of up to \$1,000.00 will be presented at Thorrahlót.

Note: In addition to submitting this application form, please inform the Snorri director that you are applying for the ICCT Snorri Grant and ask that a copy of your Snorri application be forwarded to us for review.
